# Using Microsoft Teams

- Please ensure you are on mute:

- However, feel free to type questions or comments into the chat box during the meeting

Using Microsoft Teams

- To ask a question during the Q&A portions, hover over the face/hand emoji. You'll see a drop-down menu; click the hand emoji to "raise your hand."

- Once your question has been addressed, please click the hand emoji again to turn it off.

- We will ask people calling in via phone you if you have questions.
