You may qualify for a $200 credit on your power bill

Fill out the information below to see if you're eligible for the Washington Families Clean Energy Grant Program

What is the Washington Families Clean Energy Grant Program?

This is a one-time, $200 credit for eligible Tacoma Power customers. These credits will be applied until funding runs out. This is a grant from the Climate Commitment Act (CCA). The CCA supports Washington's climate action efforts by putting cap-and-invest dollars to work reducing climate pollution, creating jobs, and improving public health. Information about the CCA is available at **Climate.Wa.gov**.

Eligibility:

These funds are available to customers whose annual income does not exceed 150 percent of the area median income, as listed in the table. Qualifying customers will receive a one-time credit of $200 toward the power portion of their utility bill.

Household Size	150% Annual Median Income
